

MOLINE'S SECTION OF THE ARGUS

73 PASS THROUGH THE MELTING POT

Large Class Given Naturalization Papers at Examination Held in Moline Court Rooms.

MOST OF THEM FROM BELGIUM

Natives of Sweden Follow in Number—Ten Cases Postponed to Next Citizenship Session.

Trusting their futures to this country and severing all allegiance with their fatherlands, 73 persons were officially recognized yesterday afternoon as citizens of the United States of America when they passed the required examination held before Frederick Schlettelt, federal examiner, of Chicago in the Moline city court rooms. The majority of the applicants gave their birth place as Belgium although they were closely seconded by the natives of Sweden. Other Scandinavian countries were represented at the "melting pot" as were Greece, Italy and Russia.

The examination of the applicants, who numbered 83 in all, was begun yesterday morning and the quiz was rushed along by the examiner with the result that the task was completed by late afternoon. The hearings of 10 of the applicants for papers were continued until the next citizenship session, important witnesses of these being out of the city and unable to appear at the test.

The list of those who successfully passed the examination follows: Axel Gunnar Blade, Cyril van de Grave, Aloisius Roelands, Nels Larsen, Charles Strobe, Jens Johnson, Mike Duskus, William Wolf, Anastasios Ernest Nicolaides, Alfred Pearson Uner, Gustaf Aldo Epraim Carlson, Carl Oscar Bjurstrom, John Albin Krahiz, John Hjalmar Hjerpe, Christian Sor-

Thin People Can Increase Weight

Thin men and women who would like to increase their weight with 10 or 15 pounds of healthy "stay there" fat should try eating a little Sargol with their meals for a while and note results. Here is a good test worth trying. First weigh yourself and measure yourself. Then take Sargol—one tablet with every meal—for two weeks. Then weigh and measure again. It isn't a question of how you look or feel or what your friends say or think. The scales and the tape measure will tell their own story, and many thin men and women we believe can easily add from five to eight pounds in the first 14 days by following this simple direction. And best of all, the new flesh stays put.

Sargol does not itself make fat, but mixing with your food, it aims to turn the fats, sugars and starches of what you have eaten, into rich, ripe fat producing nourishment for the tissues and blood—prepare it in an easily assimilated form which the blood can readily accept. Much of this nourishment now passes your body and is wasted. But Sargol works to stop the waste and do it quickly and to make the fat producing contents of the very same meals you are eating now develop pounds and pounds of healthy flesh between your skin and bones. Sargol is safe, pleasant, efficient and inexpensive. Harper House Pharmacy, J. J. Foley, and other leading druggists in this vicinity, sell it in large boxes—40 tablets to a package—on a guarantee of weight increase or money back as found in each large box.—(Adv.)

MOLINE OBITUARY

Funeral of Mrs. George L. Miller.

Funeral services for Mrs. George L. Miller, who died Tuesday evening, were held in the Second Methodist church at 1 o'clock this afternoon. Rev. A. J. Pittman officiating. Interment was in Glenwood cemetery. Procession to the cemetery was by automobile. The Woman's Relief corps of Orion, of which the deceased was a member, was in charge of services at the grave.

FIRE DEPARTMENT IS TWENTY YEARS OLD

Monday, Oct. 1 the Moline paid fire department will observe its 20th anniversary. It was Oct. 1, 1896, that the city of Moline considered itself large enough to establish a fire department on a basis of pay, with the result that there has been a steady decline in the fire losses in the city which is expected to reach a climax this year with the estimated loss of \$12,000.

In commemoration of the coming event the Moline Fire Fans' association, a body just organized, will give a banquet to the members of the fire department of Moline at the Central fire station on the night of Oct. 2. In the past it has been the custom of the firemen to give a banquet each year to which all friends of the department were invited. This year the newly organized Moline Fire Fans' association will be the host of the feast. But the new association is going to do more than give a banquet if its purpose of organization is carried out, for it intends to stir up the whole state. It hopes to devise a way whereby the city can take care of disabled men or those who have served a number of years on the department. The association will promote a civil service law, fire prevention and work toward increasing the efficiency of the fire department. The new organization is headed by Joseph E. Murphy and Charles P. Skinner.

AWARDS CONTRACT FOR NEW BUILDING

A. G. Abraham of the Moline Engineering company has awarded the contract for the new plant for the firm to be located at 1527 Second avenue. The job was given to Axel Carlson & Co. According to plans the plant, which is to be 40 feet by 80 feet, is to cost \$6,500 and will be a one-story structure of brick and concrete and of the saw tooth design. Work is expected to begin on the new building next Monday and it is expected to be completed and in operation by Dec. 1.

FOOTBALL FIGHT TAKEN TO COURT

Injunction Suit Is Filed to Restrain Kemmerling Organization From Using Name of Indians.

BASEBALL DIRECTORS NAMED

Twelve of Officials of Moline Three-Eye Association Are Co-Defendants—Two Left Out.

Before the season has really opened, the football game of Moline has found its way into the courts with the filing of an injunction suit before Judge G. O. Dietz in the city court by Frank Hogan. This action is taken by Hogan, who is president of the Moline Indian Athletic club, to restrain George Kemmerling, who in past years has acted as the guiding hand of the football team representing the Moline Men and known as the Moline Indians, from using any name or emblem in any way resembling that used by the organization headed by Hogan. In the injunction suit, which is entitled "Moline Indian Athletic club vs. A. Vermuelen et al." besides Vermuelen and one "Honey" Meersman of the Kemmerling organization, 12 directors of the Moline Baseball association are named as co-defendants. Those named are G. T. Kemmerling, C. P. Skinner, Emil J. Johnson, L. R. Blackman, Emil Coleman, Robert Rank, Eli De Reu, C. E. Wahlstrand, M. J. Copeland, Moses Ross, L. P. Hepburn and Frank Knowles.

It is a noticeable fact that the name of Mayor Martin R. Carlson and Charles Deere Wiman, also directors of the baseball association, are not included in the list of defendants, but why is not known.

Directors Are Puzzled.

The baseball directors are unable to quite understand why they have been made defendants in the suit, as the only connection they have ever had with the Kemmerling organization is that the Three-Eye league park has been leased to Kemmerling for his gridiron battles this fall.

There has been considerable dispute between Kemmerling and Hogan as to who has the right to employ the use of "Indians" for his team, with the filing of the suit as the result of the squabble.

BRYAN PLEA FOR PARTY'S SUCCESS

Great Commencer in Wyoming Speech Urges Re-election of President Wilson.

Rock Springs, Wyo., Sept. 21.—William J. Bryan, former secretary of state, started today on his second day's tour of Wyoming in support of President Wilson and the democratic ticket, with the program calling for a number of speeches. Mr. Bryan, a number of speeches. Mr. Bryan, speaking here last night, appealed for the reelection of President Wilson on the ground that President Wilson has kept the United States out of war with Europe and Mexico.

The speaker charged the republican party was unable to cope with the problems that will face the United States at the close of the European war. Mr. Bryan declared the republican party had been "unscrupulous in its methods concerning votes for women." He warned the democratic women to beware of "republican trickery."

SOCIAL AND PERSONAL

Young People's society of St. Paul's Evangelical church will meet this evening at Turner hall.

Von Borah Hospital circle met at the home of Mrs. John Toline yesterday when a social afternoon was enjoyed by 20 members, there being no special business to transact. Refreshments were served and the society announced Mrs. Axel Toline, 604 Tenth street to be the next hostess on Oct. 3.

E. T. C. club will meet tomorrow evening.

Mrs. L. P. Savage came from Chicago yesterday and is visiting at the home of her brother, J. G. Sholes. She will be here for some time and her many friends will be delighted to see her again.

Deborah society of the Swedish Evangelical Free church was called together to meet last evening in the home of Mrs. Emil Olson, and the members, on arriving, found the affair a miscellaneous shower for Miss Esther Olson who will be a bride of next week, her marriage to Alvin Swanson to be a late September affair. After a short program the bride was lured upstairs and as she returned the wedding march was played and she was led to her chair, which was piled high with useful gifts. The packages were opened to a running accompaniment of merry comments. The hostess served refreshments during an evening devoted to victrola music and sociability.

SENATOR REED IN REPLY TO HUGHES

Governor's Day at Illinois State Fair Has Great Attendance of Prominent Democrats.

Springfield, Ill., Sept. 21.—With United States Senator James A. Reed of Missouri here today for a speech in reply to presidential candidate Charles E. Hughes, Springfield buzzed with politics and politicians. Governor's day being combined with democratic day in a rally at state fair grounds.

Governor Dunne, in company with Roger Sullivan of Chicago, greeted Senator Reed when he arrived from St. Louis at 1 o'clock. Special cars brought many delegations of women to assist Mrs. George Baas, chairman of the woman's bureau of the western democratic headquarters in Chicago.

National Committeeman Charles Boeschstein of Edwardsville predicted the largest vote in Illinois ever cast by any state in the union in a presidential election. He said the vote of the women in this state will be 60,000 in November and that Illinois will cast many more votes than New York state, owing to this being the first time the women of this state have had the ballot in a presidential election.

Senator Reed's speech this afternoon was to be a reply to Hughes' attacks on the Adamson law.

WILSON TO RECEIVE LARGE DELEGATION

Long Branch, N. J., Sept. 21.—President Wilson had no engagements here today but worked during the morning on official correspondence and plans for his campaign. Secretary Tumulty went to New York for a brief stay.

Mr. Wilson has considerably reduced the list of men under consideration for several commissions and boards he is to appoint.

Arrangements have been made at Shadow Lawn for the accommodation of a large crowd on Saturday when the president will receive a delegation of business men from New Jersey.

Legal.

Executor's Notice.

Estate of Frances Mangelsdorf, deceased.

The undersigned having been appointed executor of the last will and testament of Frances Mangelsdorf, late of the county of Rock Island, state of Illinois, deceased, hereby give notice that they will appear before the Hon. Benjamin Bell, Judge of the probate court of Rock Island county, at the probate court room, in the city of Rock Island, at the December term, on the first Monday in December next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted. All persons indebted to said estate are requested to make immediate payment to the undersigned.

Dated this 20th day of September, A. D. 1916.

EDWARD C. MANGELSDORF,
EDWARD W. SCHOEDE,
Executors.

Stafford, Schoede & Stafford, attorneys.

PUT CREAM IN NOSE AND STOP CATARRH

Tells How to Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache, no hawking, snuffling, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly. It is just what every cold and catarrh sufferer needs. Don't stay stuffed up and miserable.

SCHOOL CLASSES NOW ORGANIZED

Principal Nutting Hurries Elections—Seniors, Juniors and Freshmen Name Their Officers.

SOPHOMORES MEET NEXT WEEK

Second Year Body Expected to Call Meetings—Athletic Board of Control Is Selected.

Organization of classes for the coming term was perfected yesterday at the Moline high school and the senior, junior and freshmen chose their officers. The officers elected by the three classes are:

SENIORS.
President—Chancey Kinsey.
Vice president—Elizabeth Haney.
Treasurer—Gertrude Wood.
Secretary—Howard Young.

JUNIORS.
President—Fritiof Fryxell.
Vice president—Wallace Swanson.
Treasurer—Merritt Thomson.
Secretary—Margaret Richards.

FRESHMEN.
President—Walter Heine.
Vice president—V. Ransom.
Treasurer—Henry Ginkle.
Secretary—Frank Stowe.

Members to the athletic board of control—Ruth Benson and Arnold Torsell, seniors; Nina Miller and Claude Ludwick, juniors; C. Coyle and Drury Babcock, freshmen.

The sophomore class is expected to meet this week for organization. John Seids, editor-in-chief of the 1917 year book of the school, has announced that the other members of the staff will be named next week.

PRICE OF CHEVROLET IS CAUSING BIG STIR

There has been no end of favorable comment in automobile circles over the unexpected and rather sensational announcement of the Chevrolet Motor company, that from Aug. 26 its "Four-Ninety" model would be regularly equipped with electric lights and starter at the \$490 price.

It was at the automobile show of 1915 in New York that this car was first introduced to the public. It was then priced, with electric lights and starter, at \$550. The company stated, however, that the name "Four-Ninety" was really intended to express the price, and that as soon as the company's manufacturing facilities and production justified it the price would be \$490.

In the meantime the company has completed what it claims is the best motor plant in the country, has built and equipped an up-to-the-minute axle plant, has acquired a complete transmission plant, and has in operation seven big assembling plants. In addition a volume of production has been reached which, with the greatly increased manufacturing facilities, enables the company to make good its original promise.

There is only one man in Rock Island who was not surprised at the announcement. He is E. O. Noack, manager of the Noack Motor company, 2004-10 Fourth avenue. He has been expecting it for some time.

"At the new price the Chevrolet 'Four-Ninety' is by a substantial margin the lowest-priced electric-lighted and started car in the world," said Mr. Noack. "It has a number of other features, generally associated with much

higher-priced cars, such as its powerful valve-in-head motor, selective sliding gear transmission with three speeds forward and distinctive appearing body."

IN MOLINE LODGES

With an exceptionally large attendance present the Theta lodge No. 3, Ladies of Vikings, met in regular semi-monthly meeting last night in the Swedish Olive hall. It was decided during the business session to hold a card party and dance at the next scheduled meeting, Oct. 4. The sewing society of the organization will meet next Thursday with Mrs. J. Lind, 743 Eleventh avenue.

At last night's meeting of the Ladies of Macabees, Moline hive No. 119, plans were considered in connection with the motion picture show, which is to be put on under the auspices of the lodge, Oct. 11, at the Orpheum theater. Following the transaction of routine business a social session was held.

Two Speeders are Fined.
Oscar Smith, of Rock Island, arrested Tuesday for speeding on College boulevard, yesterday afternoon was fined \$25 and costs in police court before Magistrate Frank Gustafson. Henry Fugate, jitbus operator, was fined \$7.05 for a similar offense.

Died of Heart Trouble.
Duluth, Minn., Sept. 21.—Cameron R. Rust, clubman, former newspaper publisher and president of the Rust-Parker company, Duluth, died last evening, presumably of heart trouble.

POOR FARM NURSE PLAN IS BOOSTED

Moline Woman's Club Expected to Lend Support to Movement at Coming Meeting This Fall.

KEEN NEED IS EXPERIENCED

Speaker Furnished Board of Supervisors With Clear View of Case in Speech Before That Body.

Securing of a visiting nurse for the Rock Island county infirmary according to plans on foot is a movement that will have the endorsement of the 800 members of the Moline Woman's club and at the fall meeting of the body it will be the chief business to be brought up.

The great need of a really capable person for caring for the sick people at the county poor farm was recently pointed out to the board of supervisors in a speech made before them by a Moline woman. By giving the plan the support of the 800 members of the Moline Woman's club it is believed that the supervisors can not well afford to disregard it.

Common Sense View.
It is not believed that people of the county will regard it as a question of dollars but instead whether the poor who are sick at the institution shall be allowed to be without the medical attention they should have.

Nature's Tonics

Pure Air is one. The pure essence of selected grains in the form of beer is another. Order Moerlein's
